

COURSE ANNOUNCEMENT

“Orientation for Nurses Practicing in South Carolina’s School Settings”

Location: Columbia, SC (details provided upon registration)

September 27 – 29, 2006

The “Orientation for Nurses Practicing in South Carolina’s School Settings” is a three-day course designed to complement a school district’s orientation for recently hired nurses by providing an introduction to issues pertinent to successful nursing practice within a coordinated school health framework. Registration is open to Registered Nurses and Licensed Practical Nurses. There is no registration fee for this course. Attendants will be responsible for costs related to travel, lodging and meals. Training space is limited so please register early. Participants are expected to attend all three days.

An application for nursing contact hours will be submitted.

Topics to be covered include:

Screening Procedures
Immunizations
Medications in a School Setting
IDEA and Section 504
Documentation
Nursing Practice Issues
Coordinated School Health Programs
Comprehensive Health Education
Individualized Health Care Plans
Managing Students with Chronic Illnesses
Managing School Emergencies
Child Abuse & Neglect
Confidentiality

DEADLINE FOR REGISTRATION:
